Introduction

Summer is just around the corner and parents are beginning to think about what activities will be available to offer their children for the summer as well as throughout the year. This familiar task is often a little more challenging for families of children with disabilities. In fact, individuals with disabilities may benefit from recreational opportunities throughout the year.

The **State Support Team Region 3 (SST3)** offers the **2015 Summer and Beyond Directory** as a resource to parents, family members and school district personnel about extended opportunities around the Cuyahoga County area.

The information in this directory is meant to be used as a reference and should not be considered comprehensive or an endorsement of any program or product. We do not make recommendations concerning the quality of these programs and strongly encourage readers to call the contact persons listed for clarification and explanation of their programs.

You may also contact your local community recreation departments, schools, county library branches, YMCA, YWCA, Scouts of America, and local cultural arts and entertainment centers for additional programs or activities.

Keep this book handy for **NEXT YEAR'S** planning!

Guide to Programs and Populations Served	107

Exceptionalities Definitions and Codes

Included in each program descriptor there is a Population Served Code. The following will assist you in defining what special needs population is being served. These definitions have been taken directly from Ohio Department of Education's 2014 Operating Standards for Ohio's Educational Agencies Serving Children with Disabilities

EXCEPTIONALITY DEFINITIONS AND CODES

AUT	AUTISM – means a developmental disability significantly affecting verbal and nonverbal communication and social interaction, generally evident before age 3, which adversely affects a child’s educational performance.
ED	<p>EMOTIONAL DISTURBANCE– means a condition exhibiting one or more of the following characteristics over a long period of time and to a marked degree that adversely affects a child’s educational performance.</p> <ul style="list-style-type: none"> • An inability to learn that cannot be explained by intellectual, sensory, or health factors; • An inability to build or maintain satisfactory interpersonal relationships with peers and teachers; • Inappropriate types of behavior or feelings under normal circumstances; • A general pervasive mood of unhappiness or depression; and • A tendency to develop physical symptoms or fears associated with personal or school problems. <p>The term includes schizophrenia. It does not apply to children who are socially maladjusted, unless it is determined that they have an emotional disturbance.</p>
HI	<p>HEARING IMPAIRMENT – means an impairment in hearing, whether permanent or fluctuating, that adversely affects a child’s educational performance but that is not included under the definition of deafness.</p> <p><u>Deafness</u> - means a hearing impairment that is so severe that the child is impaired in processing linguistic information through hearing, with or without amplification, and that adversely affects a child’s educational performance.</p>
ID	INTELLECTUAL DISABILITY - means significantly subaverage general intellectual functioning, existing concurrently with deficits in adaptive behavior and manifested during the developmental period that adversely affects a child’s educational performance.
OI	ORTHOPEdic IMPAIRMENT – means a severe orthopedic impairment that adversely affects a child’s educational performance. The term includes impairments caused by congenital anomaly (e.g., clubfoot, absence of some member, etc.), impairments caused by disease (e.g., poliomyelitis, bone tuberculosis, etc.), and impairments from other causes (e.g. cerebral palsy, amputations, and fractures or burns that cause contractures).
OHI	OTHER HEALTH IMPAIRMENT – means having limited strength, vitality or alertness, including a heightened alertness to environmental stimuli, that results in

EXCEPTIONALITY DEFINITIONS AND CODES

	limited alertness with respect to the educational environment, that is due to chronic or acute health problems such as asthma, attention deficit disorder or attention deficit hyperactivity disorder, diabetes, epilepsy, a heart condition, hemophilia, lead poisoning, leukemia, nephritis, rheumatic fever, and sickle cell anemia, and adversely affects a child's educational performance.
SLD	SPECIFIC LEARNING DISABILITY – means a disorder in one or more of the basic psychological processes involved in understanding or in using language, spoken or written, that may manifest itself in an imperfect ability to listen, think, speak, read, write, spell, or to do mathematical calculations, including conditions such as perceptual disabilities, brain injury, minimal brain dysfunction, dyslexia, and developmental aphasia. The term does not include learning problems that are primarily the result of visual, hearing, or motor disabilities; of mental retardation; of emotional disturbance; or of environmental, cultural, or economic disadvantage.
S/LI	SPEECH OR LANGUAGE IMPAIRMENT – means a communication disorder, such as stuttering, impaired articulation, language impairment, or voice impairment that adversely affects a child's educational performance.
TBI	TRAUMATIC BRAIN INJURY – means an acquired injury to the brain caused by an external physical force, or by other medical conditions, including but not limited to stroke, anoxia, infectious disease, aneurysm, brain tumors and neurological insults resulting from medical or surgical treatments. The injury results in total or partial functional disability or psychosocial impairment or both, that adversely affects a child's educational performance. The term applies to open or closed head injuries, as well as to other medical conditions that result in acquired brain injuries. The injuries result in impairments in one or more areas such as cognition; language; memory; attention; reasoning; abstract thinking; judgment; problem-solving; sensory, perceptual, and motor abilities; psychosocial behavior; physical functions; information processing; and speech. The term does not apply to brain injuries that are congenital or degenerative, or to brain injuries induced by birth trauma.
VI	VISUAL IMPAIRMENT INCLUDING BLINDNESS – means an impairment in vision, that even with correction, adversely affects a child's educational performance. The term includes both partial sight and blindness.

ACADEMIC PROGRAMS

ACADEMIC PROGRAMS

ACADEMIC AND FUN FITNESS SUMMER CAMP Lakeland Community College Kirtland, OH		Population Served: AUT, ID, SLD, TBI ADHD, MD, dyslexia, other**
Dates: June 15 – July 24, 2015 Ages: 6-18 years old Fee: Call for information Organization: Lakeland Community College Contact: Carol Richards Executive Director Address: 120 North Main Street Chagrin Falls, OH 44022 Telephone: 440-914-0200; Fax: 440-542-1505 Email: caroler@unschoolcamp.org Website: www.unschoolcamp.org	Descriptor: This unusual camp is designed to serve the unique needs of children with learning differences. The purpose of the camp is self-confidence, learning, fun, and socialization. Each day campers learn systematic reading and math. Afternoons include theater arts, science, poetry, sports, and social activities. The camper to staff ratio is 5:1, counselors are specially trained and experienced with the needs of children with many learning differences. Lunch is included for full day campers. Before and after camp care is free. The camp qualifies for the Autism Scholarship, ESY and other scholarships. To apply, call or email. *AUT – the child must be verbal ** Children with ODD or ED not appropriate for this camp	

COMPREHENSION SKILL BUILDERS		Population Served: SLD, SLI, AUT, OHI
Dates: June 15– August 10, 2015 (weekly for 9 weeks) Time and Day to be announced. Ages: 8-12 years (who have completed grade 2) Fee: \$320.00 Organization: The Galvin Therapy Center Contact: Marianne Wensel Address: 25221 Miles Road, Suite F Telephone: 216-514-1600	Descriptor: This hour long group focuses on developing and/or maintaining reading comprehension, listening comprehension, sequencing and narrative development skills in your child. Our summer literacy skill building program employs the use of the Story Grammar Marker. This program utilizes a personalized visual and tactile tool that will assist your child in remembering the pieces of a story development, what each part of the story means, and how to write and retell a story. Held in a sensory rich environment and led by a speech-language pathologist, the group will use brain-based techniques for whole body learning. The Galvin Therapy Center, Northeast Ohio's Premier Multidisciplinary Intervention Specialists will mark its 21 st year, offering activity/language based social skills programs, groups and intensives for toddlers to teens.	

ACADEMIC PROGRAMS

HELP FOUNDATION CONTINUING EDUCATION EXTENDED SCHOOL YEAR SUMMER PROGRAM 3622 Prospect Avenue Cleveland, OH 44115		Population Served: AUT, HI, ID, MD, OI, OHI, TBI, VI
Dates: June 8- July 17, 2015 8:30 am – 2:30 pm Ages: 3 – 22 years Fee: Call for information Organization: HELP Foundation Contact: Marilou Weidus Address: 3622 Prospect Avenue Cleveland, OH 44115 Telephone: 216-432-4810, ext. 321 Email: mweidus@helpfoundationinc.org	Descriptor: At both an East and West side location, the HELP Summer Program offers a structured experience for children and adolescents with developmental disabilities. The six hour day includes activities to promote communication, socialization, self-help skills, gross/fine motor development and leisure/recreation. Breakfast, lunch, and on-site nursing services are available. A 3:1 child to staff ratio is maintained by qualified trained staff and licensed teachers. Parent communication logs and a final comprehensive report are provided for each program participant. Extended school year services are also available.

RESIDENTIAL CAMP PROGRAMS

CAMP KODIAK / CLUB KODIAK		Population Served: AD/HD, Asperger Syndrome, AUT, ED, HI, ID, MD, SLD, SLI, TBI, VI
Dates:	June 28 – July 25, 2015 (4 week camp) July 26 – August 15, 2015 (3 week camp) June 28 – August 15, 2015 (7 week camp)	Descriptor: Camp Kodiak is an integrated, therapeutic summer camp serving children and teens with and without LD, AD/HD, NLD and AS. Our program is staffed with teachers, psychologists, social workers, child and youth workers, recreation specialists and university/college students. Our camper to staff ratio is 2:1 and our cabin groups are small. We build confidence and self-esteem by structuring all of our activities – athletic, artistic and social – to ensure success. We never miss the opportunity to recognize these successes. Our facilities include modern, tongue-in-groove log cabins with full bathrooms, 425 acres of land and 4km of waterfront. Our programs feature over 50 sports and activities, and an academic program. Club Kodiak is our corresponding program for young adults 19+. It is a camp vacation experience, which incorporates a life skills program in addition to many sports and activities. We provide 3:1 guest to staff ratio, a structured program and 24-hour subtle supervision.

At FIT, children learn valuable social thinking, conversation, and self-regulation skills: the tools for connecting with peers and forming friendships. We believe strongly that children learn by doing, which is why we present lessons in a short, direct format and then jump into cooperative games and gross motor activities for practice we also know the value of slowing things down to really focus on a particular social skill and giving children feedback about their performance. That's where the "halftime discussions" come into play. We include typical children in all of our activities because we know children learn best from their peers. The FIT programs are providers for Autism Scholarship and Jon Peterson Scholarship. We also accept family resource dollars. Check out our video on our YouTube channel at <i>FIT: Friendship In Teams</i>.</p>

Sarah Rintamaki
PO Box 45372
Westlake, OH 44145
440-250-5563
sarahrintamaki@connectingforkids.org
www.connectingforkids.org

Comment:

Our mission is to educate and support families with a question or concern about their child's development. We offer support group meetings and online password protected, secure and safe blogging. We provide our families with a database of west side therapists, programs and camps so they can find the program that best serves their needs. We also host a free parent education speaker series on topics of behavior, medication and other areas of interest to parents. We are focused on the west side of Cuyahoga County and the east side of Lorain County. Whether your child has a formal diagnosis or if you are just questioning if their development is typical, Connecting for Kids can help!

COUNCIL FOR ECONOMIC OPPORTUNITIES IN GREATER CLEVELAND (CEOGC) EARLY HEAD START AND HEAD START PROGRAM

Candice Amos, Recruitment Specialist
1228 Euclid Avenue, Suite 700
Cleveland, OH 44115
216-696-9077, ext. 403
camos@ceogc.org (email)
www.ceogc.org

Comment:

CEOGC's Early Head Start and Head Start provides a holistic family development program funded by the U.S. Department of Health and Human Services and the Ohio Department of Education. All services are free to eligible, low-income families. Early Head Start and Head Start offers a comprehensive early childcare education curriculum supplemented with health, dental, nutritional, and psychology services designed to prepare children for a lifetime of learning.

Federally funded program for low to moderate income families.

Early Head Start and Head Start provides an atmosphere of mutual trust, support and stability. The program ensures that children, parents and staff are provided the opportunity and support to reach their fullest potential educationally, economically and socially.

Education Avenue established in 1999 is a privately owned parent/professional resource store. We offer quality materials to effectively teach, inspire and motivate children of all ages and abilities. Education Avenue prides itself on its variety and selection offering an array of engaging products. Due to increased interest and request from our customers we have expanded our inventory to encompass more special needs products. These products include sensory soothers, weighted clothing and lap pads, gel cushions, games, puzzles, arts and crafts, motor skill developers along with visual and auditory helpers. Our parent/teacher store offers one stop shopping for all young educational needs including classroom decorations, stickers, incentive aids, resource books to supplement curriculums for preschool, elementary, middle, and high school as well products for homeschoolers and faith based markets. Visit us at our story or order online using our secure server.

HATTIE LARLHAM CONSTANT COMPANIONS

Stacy Timm
7996 Darrow Road, Suite 20
Twinsburg, OH 44087
330-274-2272

Comment:

Constant Companions is a unique alternative to traditional work or day programs for people with developmental disabilities. The program focuses on the mutually beneficial interaction between people with disabilities and various domestic animals such as dogs, cats, rabbits, birds and fish. These animals are used as teaching aids to encourage participants to nurture and learn about the animals in their care.

Help Me Grow (HMG) offers two statewide child development programs that are initiatives of the Ohio Department of Health. HMG also offers Bright Beginnings, a home visiting program that is focused on Children's healthy development and is an initiative of Invest in children and the Family and Children First Council in Cuyahoga County. For over 20 years, HMG has provided families with information, support and encouragement to help their children develop during the crucial early years of life (prenatal to age 3). All HMG services support the child and the child's family with the goal of enhancing the child's development. HMG programs are designed with the family's goals and concerns in mind and are voluntary and at no cost the family.

UNIVERSITY HOSPITALS CASE MEDICAL CENTER DISCOVERY AND WELLNESS CENTER FOR CHILDREN

Becky Weintraub
10524 Euclid Avenue, Ste. 1155A
Cleveland, OH
216-844-3922

Comment:

The Discovery and Wellness Center for Children is a pediatric research center housed within the Division of Children and Adolescent Psychiatry at University Hospitals Case Medical Center. We are currently offering several research based treatment programs for children and adolescents who suffer from problems such as anxiety, schizophrenia, bipolar disorder, ADHD, autism and depression. All of these programs are provided at no cost to the family. Eligibility varies for each program. We conduct a thorough intake process which will determine program eligibility. If eligible, the treatment program may include a psychiatric evaluation, laboratory tests, and study medication. The family may be seen weekly or monthly depending on program protocol timelines and swiftness of response to treatment. A member of our clinical research team along with a child psychiatrist will see the family on every treatment visit.
